CORRECTIONS STANDARDS AUTHORITY**

SUBCHAPTER 6. 2007 LOCAL JAIL CONSTRUCTION FUNDING PROGRAM

SUBCHAPTER 6. 2007 LOCAL JAIL CONSTRUCTION FUNDING PROGRAM

ARTICLE 1. GENERAL PROVISIONS

§1706. Definitions.

The following words, where used in this subchapter, shall have the meaning hereafter ascribed to them in this article, unless the context of their use clearly requires a different meaning.

"2007 Local Jail Construction Funding Program" means the requirements set forth in Chapters 3.11 and 3.12 of the California Government Code to finance the construction of local jails.

"Administrative work plan" means a comprehensive plan for designing, performing and managing the proposed project.

"Applicant" means the participating county that is applying for funding through the 2007 Local Jail Construction Funding Program.

"Assist the State in siting mental health day treatment and crisis care, and/or a continuum of care for parolees" means a Board of Supervisors' resolution outlining the county's intent to assist the State in siting mental health day treatment and crisis care, pursuant to Penal Code Section 3073, and/or a continuum of care at the conclusion of an offenders parole period.

"Assist the State in siting reentry facilities" means a Board of Supervisors' resolution outlining the county's intent to assist the State in siting a reentry facility, pursuant to Penal Code Section 6270.

"Authority" means State Corrections Standards Authority, which acts by and through its Executive Director and representatives.

"Board" means the State Public Works Board.

"Board of Supervisors' resolution" means a written resolution by a County Board of Supervisors.

"CCR" means California Code of Regulations.

"CDCR" means the California Department of Corrections and Rehabilitation.

"Cash match" and "hard match" are used interchangeably and mean cash dedicated to the project by the applicant for eligible expenditures as defined in Section 1714.

"Concept drawings" means, with respect to a design-build project, any drawings or architectural renderings that may be prepared, in addition to performance criteria, in such detail as the participating county determines necessary to sufficiently describe the participating county's needs.

"Conditionally award state bond funds" means that counties selected for funding through the 2007 Local Jail Construction Funding Program will be awarded funds that are subject to or conditioned upon certain requirements including, but not limited to: 1) each county's project must be approved by the Authority and the Board at various stages throughout planning and construction as required by these regulations; 2) each selected county must enter into the state/county agreements as required by these regulations; and 3) the funding mechanism of lease-revenue bonds are able to be sold for each selected project.

"Construction documents" means architectural plans and specifications that are one hundred percent (100%) complete and generally include: completed specifications with bid proposal documents; completed construction drawings; and special interest items (corrections, modifications, or additions made to the documents).

"Construction management" means a specialized, multidisciplinary function provided by a firm or individual acting as the county's representative with the responsibility to guide the county through all phases of delivery of the construction project.

"Cost effectiveness" means a computed factor that is the state dollar cost per net gain in beds, to be computed as the total amount of state funds requested divided by the total net gain in beds.

"County" means a legal subdivision of the State of California as defined in subsection (a) of Section 1 of Article XI of the California Constitution.

"Design-bid-build" means a construction procurement process independent of the design process and in which the construction of a project is procured based on completed construction documents.

"Design-build" means a construction procurement process in which both the design and construction of a project are procured from a single entity.

"Design capacity" includes all housing areas, even those specialized units that are not included in the rated capacity. It does not, however, include temporary holding cells, such as those in the reception and booking areas of the facility. Design capacity is used in calculating costs per bed and square foot.

"Design development" means architectural plans and specifications that are fifty percent (50%) complete and generally include: outline specifications (detention hardware, equipment, and furnishings); floor plans (to scale with dimensions, room designations, references, wall types, and ratings); building sections (heights and dimensions); interior elevations; and preliminary structural, mechanical, and electrical drawings.

"Detention alternatives" means programming efforts designed to reduce jail crowding as well as recidivism among local offenders.

"EIR" means environmental impact report; a report as defined in the California Environmental Quality Act (CEQA) as implemented in Title 14, CCR, Public Resources Code, Sections 21000-21177.

"Evaluation and rating process" means the method by which each county's proposal will be evaluated using the criteria stipulated in Sections 1712, 1714, 1730, 1731, and 1740 of these regulations resulting in a rank ordered list for funding consideration.

"Facility administrator" means the sheriff or other official charged by law with the administration of a local jail.

"Facility lease" means a lease-revenue bond financing document in which the Board leases the site and the Board-financed local jail facility to CDCR for the term of the bonds and, subject to availability for use and occupancy, the CDCR agrees to pay rent and other related obligations.

"Facility sublease" means a sublease of the Board-financed local jail facility from CDCR, with the consent of the Board, to a participating county, for its use, operation and maintenance, as described in Section 1754.

"Ground lease" means a lease between a participating county and CDCR, with the consent of the Board, to place possession and control of the real property upon which the Board-financed local jail facility will be constructed ~~(the "site")~~ with CDCR as described in Section 1752.

"Hard match" and "cash match" are used interchangeably and mean cash dedicated to the project by the applicant for eligible expenditures as defined in Section 1714.

"In-kind match" and "soft match" are used interchangeably and mean the cost of county-paid personnel, land, or services dedicated to the project by the applicant for eligible expenditures as defined in Section 1714.

"Large county" means a county with a general county population from 700,001 and above as estimated by the State Department of Finance for January 1, 2007.

"Lease-revenue bonds" and "state bond funds" are interchangeable and means lease-revenue bonds issued by the State Public Works Board for jail facilities as authorized in Chapters 3.11 and 3.12 of the California Government Code, as may be amended from time to time.

PC 5058.3 EMERGENCY REGULATION PROCESS

"Local jail" means Type II, III and IV facilities as defined in Title 15, CCR, Section 1006 and Title 24, CCR, Part 1, Section 13-102. Pursuant to Section 1712, only county-owned and operated local jails are eligible for state bond funding. Temporary and court holding facilities are not eligible for state bond funding.

"Match" means local funds in the form of cash, property value, or management/administrative services contributed by a county on a state bond funded project in the ratio described in Section 1714.

"Medium county" means a county with a general county population from 200,001 to 700,000 as estimated by the State Department of Finance for January 1, 2007.

"Needs assessment study" means a compilation of data that substantiates and justifies the scope of the project proposed to be funded through the 2007 Local Jail Construction Funding Program.

"Net gain in beds" means the number of beds (rated capacity and special use beds) to be added, minus the number of existing beds (rated capacity and special use beds) to be eliminated in the county (if any) as a result of the project constructed through the 2007 Local Jail Construction Funding Program.

"Operational program statement" means a description of the intended operation of a local jail proposed to be funded through the 2007 Local Jail Construction Funding Program.

"Participating county," as defined in California Government Code Sections 15820.90 and 15820.91, means any county or regional consortium of counties within the state that has been certified to the Board by the CDCR as having satisfied all of the requirements set forth in California Government Code Sections 15820.90 and 15820.906 or 15820.91 and 15820.916 respectively, for financing the construction or renovation of a local jail facility pursuant to those chapters.

"Performance criteria" means, with respect to a design-build project, the information that fully describes the scope of the proposed project and includes, but is not limited to, the size, type, and design character of the buildings and site; the required form, fit, function, operational requirements, and quality of design, materials, equipment, and workmanship; and any other information deemed necessary to sufficiently describe the participating county's needs; including documents prepared pursuant to paragraph (1) of subdivision (d) of Section 20133 of the Public Contract Code.

"Project" means the construction or renovation of a local jail facility proposed to be funded by the 2007 Local Jail Construction Funding Program.

"Project delivery and construction agreement" means the written agreement and any amendments thereto between the Board, the CDCR, the Authority, and the participating county supplying the terms, provisions, and conditions governing the delivery of the project, as well as other supplemental terms and conditions that are deemed necessary to the project by the Board.

"Proposal" means the document prepared by a county, or two or more counties if a common application, by which a request is made to participate in the 2007 Local Jail Construction Funding Program.

"Proposal evaluation criteria" means criterion by which proposals will be rated for funding through the 2007 Local Jail Construction Funding Program.

"Rated capacity" means the number of inmate occupants, as determined by the Authority, for which a facility's single and double occupancy cells or dormitories (excluding those areas dedicated for medical or mental health care or disciplinary isolation housing), were planned and designed in conformity with the standards and requirements contained in Title 15, CCR, Division 1, Chapter 1, Subchapter 4 and Title 24, CCR, Part 1, Section 13-102 and Part 2, ~~Section Chapter 12~~, Section 1231.

"Reentry preference" means preference given to counties that agree to assist the State in siting reentry facilities pursuant to Government Code Sections 15820.907 and 15820.917.

"Regional consortium of counties" means two or more counties bound together by a memorandum of understanding or a joint powers agreement identifying the terms, conditions, rights, responsibilities, and financial obligations of all parties.

PC 5058.3 EMERGENCY REGULATION PROCESS

"Schematic design" means architectural plans and specifications that are thirty percent (30%) complete and generally include: a site plan; floor plan; exterior elevations and cross sections; type of construction; and actual gross floor area.

"Scope of work and project impact" means a description of the project and the impact the project will have on the county's detention system.

"Site" means the property on which the [Board-financed](#) local jail facility is located, including a buffer zone. Roadways or areas serving functions other than the jail shall not be considered part of the site.

"Small county" means a county with a general county population of 200,000 or fewer as estimated by the State Department of Finance for January 1, 2007.

"Soft match" and "in-kind match" are used interchangeably and mean the cost of county-paid personnel, land, or services dedicated to the project by the applicant for eligible expenditures as defined in Section 1714.

"Special use beds" means beds for the purpose of appropriately housing offenders in medical, mental health or disciplinary rooms, cells or units that are planned and designed in conformity to the standards and requirements contained in Title 15, CCR, Division 1, Chapter 1, Subchapter 4 and Title 24, CCR, Part 1, Section 13-102 and Part 2, ~~Chapter 12~~, Section 1231.

"Staffing plan" means an assessment and identification of staffing levels needed to operate the proposed project.

"State bond funds" and "lease-revenue bonds" are used interchangeably and mean lease-revenue bonds issued by the State Public Works Board for jail facilities as authorized in Chapters 3.11 and 3.12 of the California Government Code, as may be amended from time to time.

§ 1748. Requirements for the Project Delivery and Construction Agreement.

- (a) The project delivery and construction agreement between the Board, CDCR, the Authority, and a participating county shall be executed soon after the county is selected to participate and the county has received approval from the Board regarding the scope and cost of the project. The project delivery and construction agreement shall consist of standard contracting requirements used by the State of California as well as the roles, responsibilities and performance expectations of the parties for participation in and funding through the State's lease-revenue bond program for financing jail facilities.
- (b) The project delivery and construction agreement shall include, but not be limited to, the following:
- (1) A narrative description of the project the participating county intends to construct, which shall include the design and construction or renovation of the local jail facility, pursuant to California Government Code Sections 15820.901 or 15820.911, costs for design and construction or renovation of the jail, and a schedule for completion of design and construction or renovation;
 - (2) The performance expectations of the parties related to the acquisition, pursuant to California Government Code Sections 15820.901 or 15820.911;
 - (3) Guidelines and criteria for the use and application of the proceeds of lease-revenue bonds, notes, or bond anticipation notes that are issued by the Board to fund the approved local jail facility project, pursuant to California Government Code Sections 15820.901 or 15820.911;
 - (4) Responsibilities for the ongoing maintenance and staffing during the financing, pursuant to California Government Code Sections 15820.901 or 15820.911;
 - (5) A brief statement as to who will be responsible for the legal, financial, institutional, and managerial resources available to ensure the completed construction of the jail;
 - (6) Information contained in the formal project proposal;
 - (7) Language that states that the participating county shall agree to indemnify, defend, and save and hold harmless the State of California for any and all claims and losses accruing and resulting from or arising out of the participating county's acquisition, design and construction of the local jail facility; and,
 - (8) Language that states that the county agrees to maintain the tax-exempt status of the bonds, notes, or bond anticipation notes issued by the Board.
- (e)(b) Counties shall require their construction or design-build contractors to post payment and performance bonds, each of which shall be in an amount not less than one hundred percent (100%) of the construction contract price.

accordance with Government Code Section 15820.901(a). These certifications will be based upon thorough research of both recorded and unrecorded interests in the property, and may include, as appropriate, certification regarding any use, generation, storage, release, discharge or disposal of hazardous or toxic materials on, under, in or about the site.

- (b) The ground lease must be adequate to support lease-revenue financing ~~and be in a form agreed to by the Office of the Attorney General, the Board and Authority.~~
- (c) Attached to the ground lease will be a metes and bounds legal description of the site and a simple diagram of the site, both with surveyor stamps or equivalent.
- (d) The ground lease will be recorded.
- (e) The site should not be encumbered by any liens or debt.
- (f) The recommended term is for 50 years, in no event less than 35 years after construction completion.
- (g) The lease term must be extended beyond the term to cover abatement periods due to abatement events.
